

# Call for Proposals 2020 Wild Rice (Manoomin) Research Symposium

The Little River Band of Ottawa Indians and the Michigan Wild Rice Initiative are hosting a Wild Rice Research Symposium **April 14-15, 2020** in Manistee, Michigan at Little River Casino Resort. The goal of the symposium is to bring together researchers, scientist, and practitioners across the Great Lakes to examine and discuss case studies and research related to wild rice.

At this time the organization committee is asking you to save the date and are requesting abstracts for presentations and posters. Presentations will be organized into categories, and speakers will be schedule for 15-30 minute time blocks per a presentation. Current categories include: restoration, growing conditions, genetics, stressors, habitat, ecological relationships, invasive species relationships, and monitoring.

If interested in submitting a proposal for a poster or presentation please provide the following information by **March 18, 2020** to [asmart@lrboi-nsn.gov](mailto:asmart@lrboi-nsn.gov):

- Title
- Authors, and affiliations
- 250 word abstract
- Poster or Presentation Preference
- Length of Presentation Preferred
- Main presenter contact information

A Michigan Wild Rice Initiative Meeting will be held in conjunction with the research symposium on April 16, 2020 at Little River Casino Resort, in beautiful Manistee Michigan.
